

10, 11, 12 May 2019 VALLI BRESCIANE AUDAX 24H ADVENTOURING

1ST international sport event in the FMI 2019 calendar, intended for off-road bikers.

The event edited by MC U.S. Leonessa d'Italia 1903 (Brescia – Italy) opens the Brescia Motoring Week and falls few days before the gorgeous starting of the 91st Mille Miglia Race, the most famous international race for vintage cars (May, 15-18).

The route of Valli Bresciane Audax is navigated with the help of a GPS device.

It's reserved to dualsport and maxienduro bikes and consists in two stages for a total distance of about 470 KM to be covered on the natural trails along the main dorsal of Valle Sabbia, Valle Trompia and their secondary valleys, bordering the wonderful Alto Garda Park with its suggestive views on the lake of Garda

On Friday 10th, after the inauguration of the event the bikers and their families will have different opportunities such as guided tour of the Mille Miglia Museum and the seat of the Leonessa Motoclub, or see around Brescia spending time together enthusiasts and offroad champions including those who won enduro championship in the 70's and great historical rallies from the classic Paris-Dakar in the 80's until the latest South American Dakar.

Saturday 11 May – DAYTIME Stage

The start of the of the Valli Bresciane will take place from 9.00 am on Saturday 11 May from the celebrating setting of the Mille Miglia Museum and will close at 6 pm at Roè Volciano, after a journey of 190 Km (65/70% offroad).

The "long and winding road" along the Alto Garda Park allows you to reach the panoramic peaks of the lake along which will meet two refreshment points and a dinner at the end of the course

Sunday 12 - NIGHTTIME Stage

The AUDAX stage of the Valli Bresciane will start on Saturday 21st, after the dinner, for reaching the finish line at the Mille Miglia Museum on Sunday 12th, after 280 km on the paths of Valsabbia and Valtrompia. Spending the night riding your bike under a starry sky in the moonlight, gives a mystical feeling and allows you to appreciate different landscapes in unconventional situations.

Participants can decide to complete the entire trip on the 2 stages planned or who doesn't want to brave the NIGHTTIME stage, will be able to reach the Mille Miglia finish line, restarting from Roè Volciano on Sunday morning, after overnighiting around Lake of Garda.

Those interested to attend the starting of Mille Miglia Race can extend their stay in Brescia until next 15th; it is an unforgettable experience.

The arrival of the Valli Bresciane Audax is scheduled around midday on Sunday 12th; the closing party will be followed by the consignment of the participation certificate and awards.
